EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel R. Pastririk on November 13, 2003.

The application has been amended as follows:

Claim 1, line 5, delete “,the thickening agent comprising a polymer of ” and insert therefor having a --.

Claim 15, line 18, after “acrylic acid monomer” insert -- having a molecular weight between about 200,000 and about 800,000--.

Claim 15, lines 19-20, delete “ , wherein the thickening agent ... 800,000” .

Claim 17, line 5, delete “ ,wherein the thickening agent comprises a polymer or copolymer of ” and insert therefor -- having a --.

The following is an examiner's statement of reasons for allowance:

It is agreed that the prior art of record does not teach employing a thickening agent comprising a (co)polymer of acrylic acid having a molecular weight between about 200,000 and about 800,000, as defined in instant claim 1.

The following references teach acrylic acid copolymers as thickening agents but do not teach the instantly recited molecular weight or aqueous microemulsions of hydrophobic and hydrophilic and/or amphiphilic monomers. Koenig et al (4,268,641), DeTommaso (3,894,980),Coughlan et al (4,564,010), Sonnabend (4,384,096), Coopridier et al (5,571,617) and Sanderson et al (4,145,465).

Art Unit: 1711

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan W Berman whose telephone number is 703 308 0040. The examiner can normally be reached on M-F 9:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Seidleck can be reached on 703 308 2462. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 703 308 0661.
